INCEPTO 2K23

Incepto 23 is a national-level symposium Organised by Computer Engineering Students Association (COSA). This includes various events and competitions with co-curricular and extra-curricular activities. The event was organised on the date of **27-02-2023** and **28-02-2023**. All years of the computer department have worked hard for executing this event. It was a grand success as many students participated in it.
